Reference No. 123/38-D3

Station Madras ..... , *Dated the* 28th January 19 38

From (Name) T.A. Whitehead Esq., I.F.S.,

(Designation) Chief Conservator of Forests.

To The Secretary to the Government of Madras,

Development Department.

Sir,

(9)

In G.O.No.827 Revenue, dated 6-12-1899 the cart track from Karur to Hosangadi was admitted as right of way No.C (v) for men, cattle and carts to a width of twelve feet, within Doddinamane Reserved Forest in Coondapur taluk, South Kanara district. This right of way has been described to enter the reserve 110 yards east of cairn No.103 and to leave the reserve 20 yards

southeast

southeast of cairn No.28. On the ground, however, cart track enters the reserve at a distance of 11 chains to the east of cairn No.103 and leaves the reserve to the east of cairn No.26/1. As the points of entry and exit and also the general direction of the existing route within the reserve, differ from those admitted at settlement, (Difficult gradients for loaded carts is the reason), I am notifying the existing route separately under Section 18 of the Madras Forest Act 1882 and request that Government may be pleased to extinguish under Section 20 of the Act, the right of way admitted at settlement, as from the date on which my notification is published in the local gazette.

~~Order~~ ~~Resolution~~ ~~Ms.~~ ~~Rout.~~ No. 427, dated 17 2 1938.

On the Revenue Deptt. Notification No. 543 of 6-12-1899 published at pages 1853-55 of Part I of the Fort St. George Gazette of 12-12-1899 the cart track from Karur to Hosangadi was admitted as right of way No. c (iv) for men, cattle and carts to a width of twelve feet, within Doddinamane Reserved forest in Coondapur taluk, South Kanara Dist. This right of way has been described as entering the reserve 110 yards east of cairn No. 103 and leaving the reserve 20 yards southeast of cairn No. 28. On the ground,

however, the cart track enters the reserve at a distance of 11 chains to the east of cairn No. 103 and leaves the reserve to the east of cairn No. 26/1. As the points of entry and exit and also the general direction of the existing route within the reserve differ from those admitted at settlement (difficult gradient for loaded carts being the reason) the C.C.F. proposes to notify the existing route separately under section 18 of the Madras Forest Act, 1882. The Govt. direct therefore, under section 20 of the Madras Forest Act, 1882, that the right of way admitted in the said notification shall be extinguished, with effect from the date on which the C.C.F's notification is published in the Dist. Gazette.
